

Outside Release Form

This form is for any group that plans to do anything outside of Amor's worksites or campsites. This includes but is not limited to: gas stations, stores, beaches, the mall and restaurants.

Please read and sign the following statement. A copy can be provided for your records. Only one form needs to be submitted per group.

I understand Amor's policy as it relates to working within the set Amor program. Amor works year-round to create a safe environment for its participants within that set program. I am choosing to operate outside of that set program and am taking full responsibility for my group. Amor will not be held responsible for us in the time we are operating outside of their program.
