

Instructions for the FMME

(Forma Migratoria Múltiple Electrónica)

What you will need:

- Internet access
- Passport
- Printer

People entering Mexico by bus are required to present a completed FMME upon arrival at the border. Anyone not traveling by bus will likely be asked to present this form as well. We recommend everyone complete it ahead of your trip.

This step-by-step will help you fill in the form before your trip and save time at the border.

We have included some information and tips to help you fill in the boxes.

If you have any questions, please contact your group leader.

Two things to know:

1. You can only fill out this form if you're within 30 days of arrival.
2. If your passport expires within 6 months of your trip, you will not be able to complete this form. You'll have to fill it out by hand at the border and that's okay!

Before your trip visit:
www.inm.gob.mx/fmme

Then choose **By Land**.
