

Amor Trips and Travel Restrictions – Updated Summer 2023

While Amor has resumed trips with groups, below are the restrictions and regulations that we are continuing to monitor. We want to make sure that we are acting in the best interests of our families, participants, and staff while respecting the travel restrictions and government regulations.

In October 2022, the US State Department released a [Level 3 Travel Advisory: Reconsider Travel](#). As Amor's policies continue, our groups are to continue operating within our set programming which includes our campsites and worksites. If a group wants to do anything outside of that, they must notify Amor prior and sign an Outside Release Form.

As of May 2023, the [US Department of Homeland Security will no longer require](#) non-U.S. travelers entering the United States via land ports of entry and ferry terminals to be fully vaccinated against COVID-19 and provide related proof of vaccination upon request. This means that no proof of vaccination is required for non-U.S. citizens.

Mexico continues to monitor COVID-19. Each state operates on a color-system in their COVID-19 risk and response. This fluctuates on a two-week basis. The states that Amor operates in are Baja California (Tijuana), Sonora (Puerto Penasco) and Quintana Roo (Cancun). The [phases can be viewed here](#). At this time, they are not restricting any activities that affect Amor's operations.

If you would like to register a trip or have questions regarding trips, please contact Emily, Amor Trip Manager at earnold@amor.org or 619-719-8443.
