

Amor Trips and Travel Restrictions – Updated January 2026

Amor continually monitors the federal and local regulations from the US and Mexico regarding our operations. We want to make sure that we are acting in the best interests of our families, participants, and staff while respecting the travel restrictions and government regulations.

In August 2025, the US State Department released a [Level 3 Travel Advisory: Reconsider Travel](#). Baja California and Sonora have been at a Level 3 for several years. With the exception of 2020, when it was a 'Level 4: Do not Travel' due to COVID-19.

As Amor's policies continue, our groups are to continue operating within our set programming which includes our campsites and worksites. If a group wants to do anything outside of that, they must notify Amor prior and sign an Outside Release Form. Please see our [Safety Procedures](#) for more details.

In May 2023, the [US Department of Homeland Security suspended the requirement](#) that non-U.S. travelers entering the United States via land ports of entry and ferry terminals to be fully vaccinated against COVID-19 and provide related proof of vaccination upon request. This means that no proof of vaccination is required for non-U.S. citizens. COVID-19 is not restricting our operations or group trips.

If you would like to register a trip or have questions regarding trips, please contact Emily, Director of Operations at earnold@amor.org or 619-719-8443.
